

Historic Events!

For the first time in its 40-year history, **the SEPAL Brazil team has a Brazilian leader!** On June 8, Ted Limpic “passed the baton” to **Josué Campanhã**, a highly respected leader and author with over 20 years of ministry experience. He will be leading a team that has doubled in size over the past five years to 35 members, 80 percent of whom are Brazilian. David, Debbie, Dan, Karis, and Rachel were there to see it happen (Valerie was in school), as well as our OC Latin America area director, Ric Escobar (himself a Colombian). **Internationalization is thriving in OC, to the great benefit of God's kingdom!**

Ted and Claudia Limpic pass SEPAL Brazil team leadership to Josué and Raquel Campanhã.

On June 19, **the Kornfield family completed 15 years** with SEPAL in Brazil! What interesting, busy, productive, and challenging years they have been! We want to take this opportunity to say **THANK YOU**, first to God and then to **each one of you** who has supported us in prayer, financially, and with your friendship through all of the adventures of these years. We are so grateful that in this time of popularity of short-term missions projects, **you have still made it possible for us to serve in Brazil long-term**, “for life at least”!

THEN—June 1990: Fresh off the airplane.

NOW—June 2005: Our whole family was together in Brazil for one week!

Grateful for God's faithfulness and yours,

The Kornfields
